Assignment paper unlimited collection for any one report only
800 Taka (PDF File) & 1000 Taka (Doc File)**

Sl. No.	Title of the Thesis and Assignment Paper
1.	Analysis of Marketing System and Socio-economic Conditions of Fish Traders of Parbatipur UPAZILA in Dinajpur District
2.	Aquaculture Practice Experience in Mohanondogacha Village
3.	Comparative study of Brood Stock Management of two Government and two Private Hatcheries in Rajshahi District
4.	Culture Management of gift Tilapia (<i>Oreochromis niloticus</i>) with its Marketing System in Rajshahi
5.	Evaluation of Fish Production under different Stocking Management Practices in Polyculture Ponds of Barind Area
6.	Evaluation of the Status of use of Chemicals in Freshwater Aquaculture of Rajshahi Area
7.	Fingerling Production Technique of Riverine catla, <i>Catla catla</i> (Hamilton, 1822) in Ponds
8.	Fingerling Production Techniques of Indigenous Major carp, <i>Labeo rohita</i> (Hamilton, 1822) in Ponds
9.	Fish Diversity of Kornahar Boro-Beel at Paba Upazila under Rajshahi District
10.	Fish Harvest on Padma River near Rajshahi
11.	Fisheries Resources, Traditional Fishing and Socio-Economic Condition of the Fishermen of the <i>Angrar Beel</i>
12.	Food and Feeding Habits of <i>Aspidoparia morar</i> in the River of Padma, Rajshahi
13.	Food and Feeding Habits of <i>Puntius sarana</i> in the River of Padma, Rajshahi
14.	Fry Rearing of Exotic Mirror carp (<i>Cyprinus carpio</i> var. <i>specularis</i>) in Ponds
15.	Management status of a Public Fish Hatchery of Rajshahi City Corporation
16.	Management Status of Hatcheries in Rajshahi City Corporation
17.	Morphometric and Meristic study of Climbing Perch <i>Anabas Testudineus</i> (Bloch, 1992)
18.	Morphometric relationships of length-length (L-L), length-weight (L-W) and condition factor of the Tank Goby <i>Glossogobius giuris</i> (Hamilton, 1822) (Perciformes: Gobiidae) in the Padma (mian distributary of the Ganges) River, northwestern Bangladesh
19.	Optimization of Stocking Density of Tilapia (<i>Oreochromis Niloticus</i>) in Irrigated Rice Field Ecosystem under Drought Prone Barind Area
20.	Present Status of Culture Pond Management Practice in Rajshahi University Campus
21.	Present Status of Hatcheries in Rajshahi City Corporation
22.	Relative Growth and Condition Factor of the Monsoon River Prawn

**Fisheries, Agriculture, Agronomy & Extension related Thesis and

800 Taka (PDF File) & 1000 Taka (Doc File)**

	<i>Macrobrachium malcolmsonii</i> (Milne-Edwards, 1844) in the Padma River, Northwestern Bangladesh
23.	Review on Nutritional Composition of Freshwater Fishes of Bangladesh
24.	Sexual Maturity and Relative Growth of the Critically Endangered Catfish <i>Eutropiichthys vacha</i> (Hamilton, 1822) (Siluriformes: Schilbeidae) in the Padma (Main tributary of the Ganges) River, northwestern Bangladesh
25.	Socio Economic Condition of Fishermen of Angrar Beel in Rajshahi District
26.	Socio Economic Status of Fishermen of Foliar Beel in Rajshahi District
27.	Some Biological Aspects of the Monsoon River Prawn <i>Macrobrachium malcolmsonii</i> (Milne-Edwards, 1844) (Decapoda: Palaemonidae) in the Padma River, Northwestern Bangladesh
28.	Studies on the Fish Drying Activities in Singra Upazila under Natore District of Bangladesh
29.	Study of Length-weight relationship and condition factor of <i>Amblypharyngodon mola</i> (Hamilton, 1822) in Lentic Water Body
30.	Study of Morphometric Characters of Nine Freshwater SIS collected from Waterbodies of Nageshwari, Kurigram
31.	Study on Artificial Propagation and Nursery Management of <i>Hypophthalmichthys molitrix</i> , <i>Aristichthys nobilis</i> and <i>Puntius gonionotus</i>
32.	Study on Fishing Gear and Crafts in Putigara Beel of Santhia Upazila under Pabna District
33.	Study on Fishing gears and Socio-economic Conditions of the Shib River Fishermen of Rajshahi District
34.	Study on the effects of two inducing agents on Induced Breeding of Kalibaus (<i>Labeo Calbasu</i>)
35.	The present Fish Bio-diversity and Fishing Gears of the River Baral at Bagatipara, Natore
36.	An Assignment on Animal and Microbial Toxins in Fish Feed
37.	An Assignment on Aquatic Biodiversity of world and Bangladesh
38.	An Assignment on Aquatic Pollution through Industrial Development
39.	An Assignment on Chemical Contamination in Shrimp (Culture and Processing)
40.	An Assignment on Climate Change and Its Impact on Aquatic Resources
41.	An Assignment on <i>Coastal Assets, Capital, Diversity and the Effect of Catastrophes on Livelihood</i>
42.	An Assignment on Commercially Important Fisheries Items of Coastal Area of Bangladesh
43.	An Assignment on Concept of inland fisheries, fish species in inland water and their economic importance

**Fisheries, Agriculture, Agronomy & Extension related Thesis and
Assignment paper unlimited collection for any one report only
800 Taka (PDF File) & 1000 Taka (Doc File)**

44.	An Assignment on Culture Impact on Coastal Environment
45.	An Assignment on Culture Impact on Coastal Environment
46.	An Assignment on Culture Techniques of Freshwater PRAWN in Bangladesh
47.	An Assignment on Environmental Principles and their Application on Aquatic Resources Management
48.	An Assignment on Feeds for Fresh water Prawn
49.	An Assignment on Hatchery Management
50.	An Assignment on History, Importance and Scope of Fisheries Systematics
51.	An Assignment on Micro-Encapsulated Diets for Fish
52.	An Assignment on Multiple Uses of Inland Water Bodies
53.	An Assignment on Nutritional Management of Brood Stock in Aquaculture
54.	An Assignment on Planning and Design of a Golda Shrimp Hatchery with its Cost Estimation
55.	An Assignment on Polymerase Chain Reaction (PCR)
56.	An Assignment on Potential of <i>Clarias batrachus</i> farming in Bangladesh
57.	An Assignment on Preparation and Prospects of New Fishing Water Bodies
58.	An Assignment on Saprolegniasis Disease
59.	An Assignment on Seasonal Occurrence and Abundance of Cyanobacteria in Aquaculture Pond
60.	An Assignment on Shrimp Feed
61.	An Assignment on Type, Categories and Theories of Classification
62.	An Assignment on Vaccination in Aquaculture
